Acknowledgement of Free-Moving Student Fees

To Whom It May Concern,

I am an **Undergraduate/Graduate** student at the **Name of University** studying **Major**. I am applying to study abroad at FEN for the **(first semester March-July / second semester July-December)** of 202X

My university may not have an official exchange program with FEN that I can apply for and/or I have decided to apply independently of the exchange agreement. My university has given me permission to apply directly to FEN as a free-moving student for this upcoming semester.

I have read the tuition information listed on the [website](#). I understand and accept the fees associated with studying at FEN as a free-moving student. I also understand that once the add-drop period has ended, I will have to pay for any enrolled course(s) even if I decide to remove them from my academic course load at some point in the semester.

Once you are enrolled in courses at FEN, you will receive an invoice from FEN with your tuition fee amount. You will then be able to make the payment via international bank transfer (in US Dollars) or via cash deposit (in Chilean Pesos).
